H.E. Mr. Mark Rutte
NATO Secretary General
BRUSSELS

Dear Secretary General,

Thank you for your letter dated 22 June.

In light of your letter, and in the spirit of Allied unity, I can hereby confirm that Spain will accept the draft declaration circulated on 22 June for the upcoming NATO Summit, in the understanding that Spain's commitment refers to the delivery of the Capability Target goal on time and in full regardless of the share of GDP that it entails, and to submit our own annual plans accordingly.

As always you can count on Spain as a committed and reliable Ally, and I very much look forward to a successful Summit.

Yours sincerely,
